- Team formation

  ...

Miguel Paz - Hacks/Hackers Chile

WHAT happens at a hack day?

- Work

- Check in and documentation

- More work

- Demo

- Wrap up and documentation

Hacks/Hackers Buenos Aires

WHEN do they happen?

A recording device and timer, all in one. (Photo: Flickr: opennewssource)
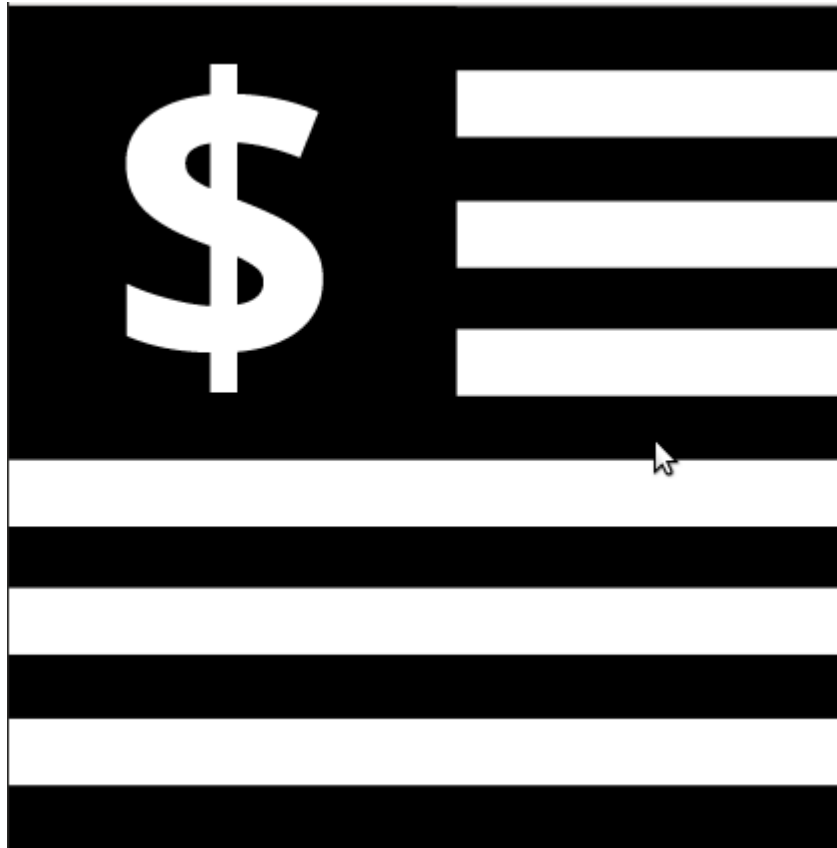

# WHERE do they take place?

WHY? Journalism.

(Photos: left, John Keefe; right, Happy Monkey on Flickr)

WHY? Code.

WHY? Community.

HOW does it work?

The world does not look like this:

Muggles   Coders

Comparison courtesy Noah Veltman

HOW? Well, it's still pretty magical.

Flickr: usaghumphreys

It's about you.

Together, we're creating journalism code that drives the web.

Let's make plans
